i. Four years training in Surgery

Or

Three and a half years training in Surgery and six months training in Orthopaedic Surgery/Traumatology (Casualty training of DMCH & SSMCH) or six months training in any of the sub-specialities as mentioned in clause (c)i.

Or

Three years training in Surgery, six months training in Orthopaedic Surgery/Traumatology (Casualty training of DMCH & SSMCH) and remaining six months training in any of the sub-specialties as mentioned in clause (c)i.

Or

Two and a half years training in Surgery, six months training in Orthopaedic Surgery/Traumatology and remaining one year training in any two of the sub-specialties (06 months in each) as mentioned in clause (c)i.

(e) Obst. & Gynae. (with academic course) :

i. Three years training in Obst. & Gynae

Or

Two and a half years training in Obst. & Gynae and 06 months training in any one of the following sub-specialities: (1) Feto-Maternal Medicine, (2) Gynaecological Oncology and (3) Reproductive Endocrinology & Infertility

(ii) one year academic course

(f) Obst. & Gynae (without academic course) :

i. Four years training in Obst. & Gynae

Or

Three and a half years training in Obst. & Gynae and 06 months training in any one of the sub-specialities as mentioned in clause (e)i.

(g) Paediatrics (with academic course) :

i. Three years training in Paediatrics

Or

Two and a half years training in Paediatrics and 06 months training in any one of the following sub-specialities: (1) Neonatology, (2) Paediatric Haematology and Oncology (3) Paediatric Nephrology (4) Paediatric Gastroenterology and Nutrition (5) Paediatric Pulmonology, (6) Paediatric Neurology & Development and (7) Paediatric Cardiology.

Or

Two years training in Paediatrics and one year training in any of the two sub-specialities (06 months in each) as mentioned in clause (g)i.

(ii) one year academic Course

(h) Paediatrics (without academic course) :

i. Four years training in Paediatrics Or

Three and a half years training in Paediatrics and 06 months training in any one of the sub-specialities as mentioned in clause (g)i.

Or
Three years training in Paediatrics and one year training in any two of the sub-specialities (06 months in each) as mentioned in clause (g)i.

(i) For the remaining subjects (with academic course):
   i. Three years training in respective subject
   ii. One year academic course
   Or

The remaining subjects (without academic course):
   i. Four years training in respective subject

Exceptions:

1. In case of Physical Medicine & Rehabilitation:
   i. Four years training in Physical Medicine & Rehabilitation
   Or
   Three & half years training in Physical Medicine & Rehabilitation
   and
   Six months training in Medicine/Surgery/Orthopaedic Surgery/Neurology/Neuro Surgery/ Obstetrics & Gynaecology/Paediatrics

2. In case of Dermatology & Venereology:
   i. One year training in Medicine
   ii. Three years training in Dermatology & Venereology

3. In case of Anaesthesiology:
   i. Four years training in Anaesthesiology

4. In case of Haematology:
   i. One year training in Medicine
   and
   ii. Three years training in Haematology

N.B.: Diploma passed candidates who undergone 2 years in-house training under BSMMU will get one year training exemption in the respective general subjects for appearing in fellowship examination of BCPS.
